Sakib Abrar

Contest Programming Trainer at European University of Bangladesh

Summary

Skilled in Web Development, Matlab, Python (Programming
Language), GNU Octave, C and C++. Strong administrative
professional with an ongoing Bachelor of Science - BS focused in
Computer Science and Engineering from Bangladesh University of
Engineering and Technology.

Experience

European University of Bangladesh
Contest Programming Trainer
February 2020 - Present (3 months)
Dhaka, Bangladesh

My job here is to train some enthusiastic learners about contest programming.
I mainly teach them how to cope up with the new habit and environment of this
competitive programming. Here they learn how solve contest problems and
how to get better at it. We mainly code in C++ here. But solving the problem is
of more priority here no matter in what language it is.

Chittagong Math Circle
3 years 4 months

Vice President
January 2019 - Present (1 year 4 months)
Chittagong, Bangladesh

Organizing Secretary
January 2017 - January 2019 (2 years 1 month)
